EUROPEAN EXAMINATION IN *Paediatric* RESPIRATORY MEDICINE

- WHEN** Saturday, 6 September 2014
- WHERE** ERS Annual Congress, Munich
- HOW** Register online at hermes.ersnet.org

GOOD REASONS TO SIT THE EUROPEAN EXAMINATION

CLINICAL FOCUS: Questions reflect real-life practice of paediatric respiratory medicine.

IN-TRAINING ASSESSMENT

ASSESSMENT OF LEARNING: Assess your learning as a trainee and benchmark where you stand at your level. Use the examination as a driver for learning.

SELF-ASSESSMENT

PERFORMANCE BENCHMARK: Benchmark where you stand against the European standards. Keep abreast of new developments in the field. Use the examination to verify and update your knowledge.

EUROPEAN DIPLOMA

PROOF OF EXCELLENCE: This shows your commitment to life-long learning.

GEOGRAPHIC MOBILITY: Even without legal recognition, this is known and recognised within the profession throughout Europe and the world.

TANGIBLE RECOGNITION: Upon successful completion, the ERS will grant you the European Diploma in Respiratory Medicine. As a member of the HERMES Diplomates Club reserved for successful candidates, you will have enhanced networking possibilities and recognition amongst peers.

THE EUROPEAN EXAMINATION IN PAEDIATRIC RESPIRATORY MEDICINE WILL BE ON *Saturday, 6 September 2014* DURING THE ANNUAL ERS CONGRESS IN MUNICH, GERMANY.

**EUROPEAN
DIPLOMA:**

reserved to nationally qualified PRM specialists

**IN-TRAINING
ASSESSMENT:**

reserved to trainees who wish to assess their level of knowledge

SELF-ASSESSMENT:

open to all medical practitioners who wish to test their knowledge against the European standards

Note: In accordance with the EU principle of subsidiarity, this examination has no legal standing, since only national authorities can grant doctors the right to practice.
